WEIRD SCIENCE

INTERDISCIPLINARY PANEL DISCUSSION

This writing-intensive interdisciplinary course will allow students to explore the literature of shifting and expanding definitions of humanity and post-humanity from the perspectives of the natural and social sciences, technology, and engineering, incorporating digital media.

Panel Moderator

Dr. Reneta D. Lansiquot, *Director of the Honors Scholars Program*

Panelists

Dr. Reginald A. Blake, *Interim Associate Provost and Dean of Curriculum and Research*

Prof. Tamrah D. Cunningham, *Department of Computer Systems Technology*

Dr. Sean P. MacDonald, *Department of Social Science, Professor of Economics*

Dr. Lauren Park, *Department of Social Science, Associate Professor of Philosophy*

Thursday, March 24

1:00PM - 2:00PM, via Zoom
